

# Subscriptions 2025-2026

Each WI Member pays a subscription fee for her membership. Subscriptions rates are set by the NFWI Board of Trustees, after consulting the National Council. **WIs now have the flexibility each year to decide whether to either waive their portion of the subscription fee, reduce it slightly, or keep it the same.**

The membership subscription for 2025 is **£51.00**.

The **distribution of the 2025 subscription** is:

| Total subscription 2025 | WI share | Federation share | NFWI share |
|-------------------------|----------|------------------|------------|
| <b>£51.00</b>           | £25.10   | £12.05           | £13.85     |

## When are subscriptions due?

Please keep in mind that the subscription year now runs from April 1 – March 30. Payments will be due from members by **April 2025**.

Please find more information and a breakdown of how flexibility could affect the pro-rata rate.

<https://mywi.thewi.org.uk/essential-information/subscription-rates>

### Pro-rata subscription for new members in their first year

New members joining the WI from April 2025 for the **first time** will pay a **pro-rata subscription** depending on the quarter in which they join.

The same applies to new members who have **not previously been a member of any WI in the 12 months prior to their joining the WI**.

The rate per quarter and the distribution are shown in the following table.

| Date of joining 2025   | Total subscription | WI share | Federation share | NFWI share |
|------------------------|--------------------|----------|------------------|------------|
| 1 April to 30 June     | <b>£51.00</b>      | £25.10   | £12.05           | £13.85     |
| 1 July to 30 Sept      | <b>£38.25</b>      | £18.82   | £9.04            | £10.39     |
| 1 Oct to 31 Dec        | <b>£25.50</b>      | £12.55   | £6.03            | £6.92      |
| 1 Jan to 31 March 2026 | <b>£12.75</b>      | £6.28    | £3.01            | £3.46      |

## New WIs starting in 2025/25

New WIs starting from April 2025 will keep all of the subscriptions paid by their members in the 2025/26 membership year.

## Dual membership

A dual member cannot be charged more than **£25.10** for her second WI as this is the amount set at National Council. In regard to flexibility, a dual member may have one WI that waives the fee and one that does not, thus a dual member may be paying different fees year on year for the WIs she is a member of. The dual member will only pay the NFWI and federation portion **once** when joining her primary WI, as is the case currently, plus the amount her primary WI is charging for its portion of the subscription fee. At the dual member's second WI, she will pay the applicable WI portion of the subscription fee only. This means she will only pay the same WI portion as all the other members of her second WI when joining as a dual member. **There is no pro-rata rate** for dual membership, and the set fee will remain payable at any time during the year.

## Pooling of Fares 2025

The NFWI Annual Meeting pooling of fares for 2025-26 is set at **£0 per WI** and £0 per federation. New WIs formed in 2025, from April, before the NFWI Annual Meeting, will pay the pooling of fares contribution.

## Pooling of Accommodation 2025

**National Annual Meeting Delegate Accommodation: the delegate accommodation contribution will be £0.20 per member.**

**These charges should be paid from WI funds; this enables Delegates to attend the National Annual Meeting every year free of charge**

NFWI & Federation subs should all be paid in one sum to 'HCFWI'. We will send NFWI their portion of the subscription and the pooling of fares. HCFWI retains the per capita accommodation charge in a restricted fund for delegate accommodation for future National Annual meetings requiring one or more overnight stays for delegates.
