

2027 Hampshire Calendar Photo Competition – “Water, water, everywhere ...”

Image credits: Adege, Stock, and Lecreusois from Pixabay

The theme for the 2027 Hampshire Calendar is ‘Water, water, everywhere in Hampshire’. Please remember the photographs must be taken in Hampshire. We need a photograph for each month so photos taken in the winter months are required too. We can then organise a 12-month calendar for 2027 featuring your wonderful photography with plenty of space to write in key events.

Most modern camera phones will give high resolution photographs that are suitable for reprinting, but feel free to use any digital camera that gives good quality pictures. The file size should be a minimum of 1mb. Photographs should be landscape orientation (horizontal). Start clicking and enter the competition today.

Please save each image as your name and picture title and email to: ticketing@hampshirewi.org.uk alternatively, send a hard copy to WI House. Remember to give your name, WI, and title of the picture. Photographs should be no smaller than 4" x 6". Please send up to 4 landscape (horizontal) pictures.

If sending hard copies, complete the form below and enclose with your photos to WI House, 22 – 24 Station Hill, Southampton Road, Eastleigh SO50 9XB.

Apologies but we are unable to return hard copies.

Closing date Friday 19 June 2026
